Subject: Increased Reclamation Surety Requirement, Mike and Sandra Sprunger, ML 47821&46956/Cubical 2, S0230057, Juab County, Utah

Dear Mr. and Mrs. Sprunger:

In response to your telephone inquiry regarding the forms required to increase the surety amount, the following options will prove helpful:

- To increase the amount of your CD, please contact your bank and indicate that you would like to take this action. Determine if the terms of the existing CD allow an increase. If so, ask the bank representative to contact Ms. Beth Ericksen (801) 538-5318 .
- To Open a new CD account for the difference, contact your bank and advise them you are opening a special purpose CD and have them contact Ms. Beth Ericksen (801) 538-5318 or bethericksen@utah.gov . Ms. Ericksen will email the bank the necessary paperwork to proceed with the account establishment and completion.

Please take the action most suitable to your circumstances. Please direct correspondence and inquiry to Ms. Beth Ericksen. Thank you for taking the necessary action to complete these permitting requirements.

Sincerely,

Susan M. White
Mining Coordinator
Minerals Regulatory Program
